APPLICATION FORM

(Each fur kid requires his / her own application form. This application does not automatically guarantee enrolment).

By submitting and signing this application, the applicant acknowledges and agrees that, upon acceptance and enrolment, this application constitutes a binding contract.

All fur kids, attending day care, needs to be sterilized by 6 months of age.
We understand that the recommendation is to sterilize larger dogs when they are a bit older (6-8 months in small dogs, 6-18 for large dogs). Unfortunately, to maintain a safe environment for all dogs, unsterilized dogs over the age of 6 months will not be accepted by the day care. Fur kids must also be fully vaccinated and vaccines must be up-to-date (including annual boosters). Tick and flea as well as deworming treatment must be up to date as well.
